MYKONOS - GREECE

Villa Nefeli finds space atop the hill just to the back of Elia Beach, part of a brand-new development of private properties consisting of four villas, overlooking the fine sand and clear waters of this famous beach on the southeastern side of Mykonos. The location allows for extensive views of the bay and sunshine throughout the day, while being within a short drive from the beach, the perfect distance to either join in on the fun in the sun or relax around the property's private pool.

Elia is one of the most beautiful beaches in Mykonos with its blue waters and unique sand. It is an organized beach with restaurants, bar, coffee places and water sports.
